Report of Student Feedback Analysis(Session: 2022-2023)

Sitananda College, Nandigram being unique from its very inception and foundation, has emerged as a benchmark of excellence and its goal is to provide quality education and prepare students as competent members of society and as a whole. With quality sustenance as its focus, the IQAC of the college has developed the feedback mechanism commencing with obtaining feedback from the various students through a structured rating-based feedback form. The feedback has been generated through a comprehensive perspective of including several parameters of the Teaching-Learning-Evaluation and the Overall Academic experience of the student, Teachers' and Alumni students. TheseParameters have several statements each and have to be graded on a 5-point scale and well as Yes (1) and No (0) options. The feedback was graded on a 5-point scale (Strongly Agree-5, Agree-4, Neutral-3, Disagree-2, and Strongly Disagree-1) and is presented below.The college has drawn feedback from students for continuous improvement in curriculum development and enrichment. For the session 2022-2023, the analysis of students' feedback is presented as under:

Please specify. - More infrastructural development such as ICT classrooms, new experimental set ups as per new syllabus are required. - Syllabus need to be designed in a way that full fill the employability skills of students. - Provide smart class room. - Need to improve infrastructure of the laboratory. - Regarding course curriculum design, it is beyond our hand. I have suggestion on NEP-2020. You must change the 4 year degree honours course. It should be 3 year. You need to do our campus clean and more green. Also it should be a smoking free campus. - Focus on student-centred learning. - College needs the development of infrastructure, Wi-Fi and Other ICT facilities. - More use of technical instruments to be needed.
